

Banners for Hometown Heroes

This program exists to provide a way for a relative, family, or friends to pay tribute and honor to their loved one who served in the United States Armed Forces.

Requirement: The veteran may be a living or deceased resident of the town, or a relative or friend of a resident of the town. This will allow for the broadest number of local veterans to be honored.

The Allenstown Economic Development Committee (EDC) is working in collaboration with Concord for Hometown Heroes Banners, LLC (CHHB) to offer banners that feature:

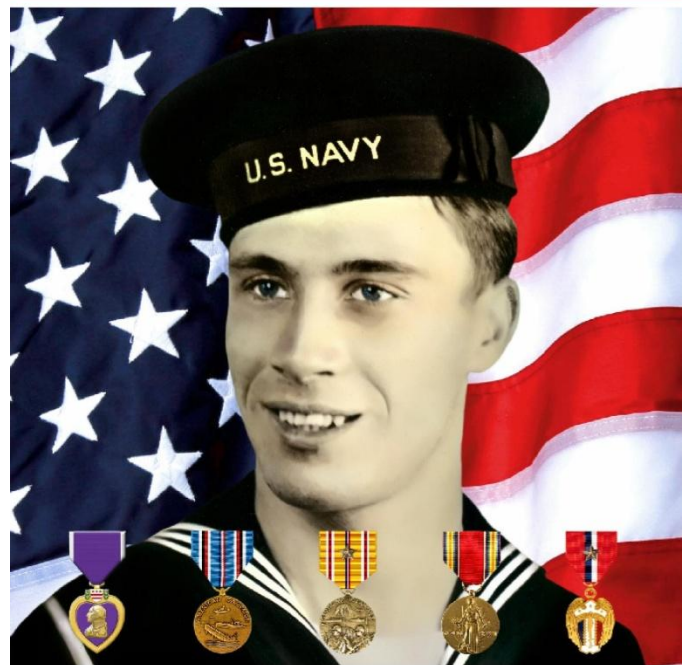

- 24 inch x 48 inch double-thickness material with double-stitched hems
- Full color
- Double-sided image of a sponsor-supplied photo of the veteran
- Name, rank, military branch, theater of service, and name of sponsor.

Each banner includes icons of any Meritorious Awards that the veteran received. A Gold Star pin shows that the ultimate sacrifice was made for a grateful nation. CHHB strives to achieve the best photographic quality from your photo. The result is a dramatic visual impact.

For a \$225.00 fee, the banner is manufactured to meet your approval, and, **for three years**, it will be installed on a utility pole on School St. from May to November, and then cleaned and stored over the winter.
